Help Us Keep Our School Vape-Free!

To keep our school a safe, healthy and happy place for everyone, please remember that vaping is not permitted anywhere on school premises.

Thank you for helping us look after our school community and keeping our environment healthy for all.

Please remember to make sure your child arrives at school **on time every day**.

Our **free Breakfast Club** is available every morning from **8:00am**, giving children the opportunity to enjoy a healthy breakfast and have a calm, positive start to their day.

Arriving on time helps children settle into school, be ready to learn and make the most of every lesson. Starting the day positively can make a real difference to their confidence, learning and overall school experience.

Thank you for your continued support in helping our children have the very best start to their school day.
